Nobody can live in isolation. It is very important for every person to have a friend. You can be sincere and outspoken with your friend. He can help you in difficult situations and give an advice. Friends must share with you likes and dislikes. So friendship is a real treasure. But it is difficult to find a really devoted and reliable friend, who will never betray you. As for me, I have a lot of friends and all of them are very important to me. In fact, sometimes I wonder what I would do without them. Friends mean a lot to me because I think it is important to have people around you who you can talk to about personal issues and who you can trust. Of course, it's also important to have friends with whom you can share new experiences and have fun with. We spend time together and like the same things and so we are not afraid to express our opinions with them. I've experienced a lot with my friends because I've known them for a long time and we have done a lot together. There is never a boring moment when I'm with my friends. For me a friend should be loyal, trusting and supportive.

John: Hi, I'm John. Nice to meet you.

Kelly: Hi, I'm Kelly. Nice to meet you too.

John: So, what do you think of the college so far?

Kelly: I really like it. The campus is beautiful and everyone seems really friendly.

John: Yeah, I agree. I'm excited to start my classes and get involved in some extracurricular activities.

Kelly: Me too. I was thinking about joining a club or maybe trying out for a sports team.

John: That's a great idea. I'm actually in the debate club and we're always looking for new members.

Kelly: Oh, that sounds interesting. What kind of topics do you debate?

John: We debate a variety of topics, from politics to social issues to philosophy. It's really cool because it helps us practice our critical thinking and public speaking skills.

Kelly: Yeah, I could use some practice in those areas. Maybe I'll come check it out sometime.

John: That would be awesome. Our next meeting is on Wednesday if you're interested.

Kelly: Sure, I'll put it on my calendar. Thanks for telling me about it!

John: No problem. It was nice meeting you, Kelly.

Kelly: Nice meeting you too, John. See you around!
